Boxing Equipment and Sportswear

History of BENLEE RockyMarciano

BENLEE started in the 1930's with the production of boxing equipment and was used by boxing legends such as the „Brown Bomber“ Joe Louis, Jersey Joe Walcott and „The Brockton Blockbuster“ Rocky Marciano. In the 1960's it disappeared from the scene. With our Brand BENLEE RockyMarciano we have revived this tradition, including in it a tribute to Rocky Marciano
